

Introducing TripMeld

TripMeld

The Future Of Travel Management

Effective | Quick | Impactful

Travel CRM

Manage Your Travel Business Like Never Before

The screenshot displays the TripMeld CRM dashboard with the following sections:

- Top Bar:** Shows user profile (Jack Grayish, Admin), search bar ("Search Tasks, Leads, Invoice, Calls etc."), and navigation icons (+, 🔎, 🚙, ☰).
- Task Overview:** Displays counts for In Progress Tasks (60), Completed Tasks (80), Hold On Tasks (20), Overdue Tasks (30), and Not Started Tasks (22). Each section includes a percentage completion bar.
- Call Statistics:** Shows recent calls (170), contacted calls (100), missed calls (10), rejected calls (10), and attended calls (50). A "Status All Calls" donut chart indicates 100% activity.
- Status Statistic:** A line chart showing call status trends from Sunday to Saturday. The legend includes: Completed (green), In Progress (blue), Overdue (red), Not Started (yellow), and Hold On (purple).
- Leads Section:** Shows Client Conversion Rate (Monday) with 70 total converted clients. It also displays Lead conversion statistics: Total Leads (120), New Leads (20), Qualified Leads (30), and Converted Leads (70). A line chart tracks lead conversion over time.
- Lead Status Statistic:** A table showing the distribution of leads by status: Qualified Leads (50%), Contacted Leads (30%), New Leads (20%), Lost Leads (10%), and Junk Leads (5%).
